Adam has been with Ostrow Reisin Berk & Abrams, Ltd. since 2008. He is a seasoned member of the firm's Wealth Management and State and Local Tax Groups. Adam concentrates on working with individuals, partnerships and closely-held corporations on tax and compliance. He serves clients in many industries including real estate, manufacturing and professional service businesses, as well as professional athletes and corporate executives. He is also involved in numerous engagements involving multi-state and helps his clients with various international and offshore tax compliance issues. Adam enjoys working with complex transactions and furthering his expertise in difficult matters.

PROACTIVE

It is important for Adam to be proactive with his clients in order to develop meaningful relationships while helping them reach their financial goals. He provides innovative financial planning to help protect and preserve their wealth. Adam remains consistent and dependable to his clients.

OUTSIDE OF THE OFFICE

Whether hiking in mountains or exploring a new city, Adam appreciates an adventure. In his down time Adam enjoys going to local restaurants, movies and comedy shows.
