AUDIT MANAGER

dhammen@orba.com
O 312.670.7444

Derek Hammen is an Audit Manager and member of the firm's Audit Group. His accounting and audit experience is extensive, having served in previous roles as a consultant, controller, and manager on audit engagements of middle market companies primarily in the manufacturing distribution and technology industries. He is adept at researching and understanding technical accounting matters to create accounting policies and memorandums for accounting treatment. Derek also assists in the firm's Audit & Assurance Quality Control by performing internal inspections, providing technical consultations, and conducting trainings for the firm's Audit Group. He is a member of ORBA's Learning Professional Development Committee.

PROACTIVE

Derek is knowledgeable, reliable and enjoys working with clients to resolve complex audit, financial and accounting issues. He actively participates in mentoring and training both new hires and staff on audit procedures.

OUTSIDE OF THE OFFICE

Derek loves travelling with his wife, son and daughter. He enjoys music, mountain biking, hiking and attending Green Bay Packer's games.
