📞 630.703.7444

Nico Berrini, the Firm's Director of Growth, plays a vital role in growing the Firm's Transaction Advisory and Client Advisory Services Groups by developing profitable and scalable business practices supporting the Firm's growth strategies. Nico also collaborates closely with other senior leaders to foster innovation and to ensure cohesive and integrated efforts across all service lines.

Nico has a proven track record of leading growth initiatives in both corporate and entrepreneurial settings, with industry expertise spanning aerospace & defense, manufacturing and consumer packaged goods (CPG), e-commerce, and FinTech/SaaS. Nico has developed domain expertise across the full cycle of accounting, global delivery management, Controller and CFO services, including long-range financial modeling, M&A strategy and board advisory.

PROACTIVE

Nico excels at building and launching advisory services, driving revenue growth and creating transformative client experiences. He is also incredibly adept at leveraging technology and market insights to deliver impactful advisory solutions for our clients.

OUTSIDE OF THE OFFICE

Nico is a devoted husband and father to three wonderful children who keep him busy with year round sports and activities.
